Total Income - Total Expenses

Total Actual Income	\$0.00
Total Actual Expenses	\$0.00
TOTAL:	\$0.00

*Any positive amount in your total is the amount of extra cashflow you will have every month. Decide where you will put it.

*If the amount in your total is zero, you are running on a balanced budget. No extras on top of your budget allowed.

*Any negative amount in your total is the amount you are going into debt every month. Time to assess your expenses.
